

JUNE = The Fairest of Months

IS ALMOST HERE

IT IS BEAUTY'S SEASON and all the world looks to new clothes. New things must be bought for summer time and vacations. There are new styles in Coats, Suits, Hats, Dresses Etc.

Every year's new summer fashions seem more beautiful. This year's stock shows many of the prettiest styles we have ever carried.

We always have given and while we continue in business shall always continue to give the best in DRY GOODS, NOTIONS, HOUSEHOLD FURNISHINGS, ETC., for the least money. EVERY TIME a purchase is made in our store, the money is well expended.
