Coach
You a swell
teacher with a sense
of humor that really
you takes the cake. I'll admit
you also can dish a lot of teasing. But
you also can dish it out. How you
ever loved through the sixth for S.H.
is more than I'll ever understand.
but I must say I'll see you
I'll see you farewell for this year
nets.

To a swell
teacher. I wish
you best of luck next
