Good Times

The homecoming dance was one of the best according to many who attended. Joe Mako said, "the music was rockin' and I was with the prettiest girl in the place." Girlfriend Alyssa Stalter and friend Jill Bergey agree.

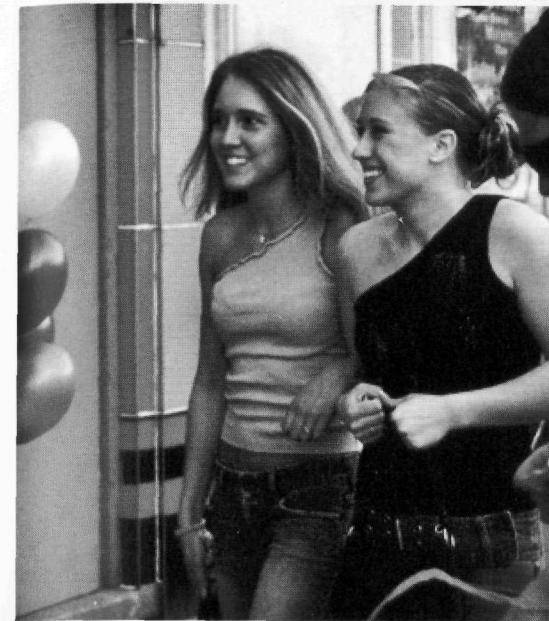

What?

Eating in the cafeteria can cause your eyebrows to raise involuntarily. Actually Casey Forquer is practicing his dramatic irony expression. Forquer played a supporting role in the production of *The Pink Panther*.

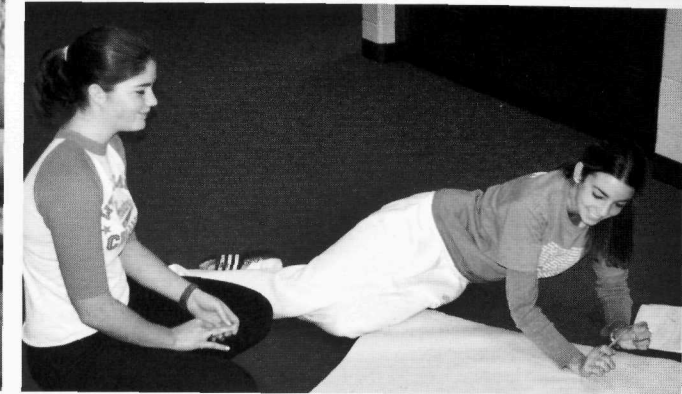

Two Girls, One Shirt

Arriving at the Oscar party slightly chilled are Megan Cromar and Jackie Lavoie. Both girls enjoyed the evening and watching their friends accept awards.

Hallway Drawing

Drawing on a big piece of paper are Chelsea Cox and Marissa Swartz. The girls take advantage of the wide open hallway to spread out and get creative for Advanced Comp.
